

CALL FOR ABSTRACTS – MDT Forum

Closes 5PM AEST, Friday, 9 August 2024

Multidisciplinary Trauma Forum | 24 October 2024 | 08:00 – 16:00

Abstracts are invited for the Multidisciplinary Trauma Forum being held at the Brisbane Convention & Exhibition Centre (BCEC) on Thursday 24 October 2024.

An inclusive trauma system involves an interdisciplinary approach to injury prevention, pre-hospital, acute in-hospital care, rehabilitation, community partnerships, research, education, and quality improvement.

We invite all interdisciplinary healthcare professionals who are actively involved in trauma care, trauma services, or the wider trauma system to participate in this full-day interactive forum.

This is a great opportunity for you to present what is happening in your centre. Let us know about any new quality or performance improvements programs, education, injury prevention, and data or research related initiatives that you or your team has undertaken.

Abstract Submission Key Information

- Oral abstracts may be submitted through until August 9, 2024
- You will be notified regarding your submission after August 16, 2024
- The oral presentation & questions will be 10 minutes in total (8+2)

ABSTRACT SUBMISSIONS

Please submit your abstract online no later than **5PM AEST, Friday, 9 August 2024** via the submission portal (Currinda).

[SUBMIT HERE](#)

Abstracts may only be submitted via [Currinda](#) and will not be accepted by any other means. The Trauma 2024 Professional Conference Organiser will notify all abstract submitters of acceptance via email.

Important: All authors accepted to deliver an oral presentation, or a poster must register for the MDT Forum and pay the applicable registration fees.

Please note: The submitting author (if different to the presenting author) will be the one linked to the abstract and will receive all relevant information via email. It is the submitting author's

exclusive responsibility to ensure that all relevant emails are passed onto the presenting author and any other relevant parties.

ABSTRACT INSTRUCTIONS

Authors will require a profile on Currinda in order to submit an abstract for consideration. This profile will then be used for registration for the MDT Forum Registration.

- When logging in to Currinda, you will be asked to create a profile (unless you already have a Currinda profile) and then, prompted to submit an abstract for the MDT Forum. You can submit multiple abstracts, one after the other, through your profile.
- Whilst you can come back to your submission(s) at any time prior to the submission deadline, please ensure you proceed through the entire process to complete your submission. If you fail to do this, your abstract will not be reviewed.
- You can log back into the system and edit your abstract submission at any time until 11pm (AEST) on Wednesday, 31 July 2024. Simply log into your Currinda profile, select the abstract to amend and navigate through the top tabs to the section(s) you wish to edit.
- An automatic acknowledgement email will be sent once your abstract submission is complete.
- Important: All authors accepted to deliver a presentation, or a poster must register for the forum and pay the applicable registration fees.

Abstracts must:

- Be typed straight into the text field in Currinda. It is recommended that authors have this text ready to copy and paste (ensuring that no formatting carries across).
- Not exceed 250 words, excluding titles, authors and affiliations.
- Show only one presenting author by ticking the appropriate box.
- Include the first name, surname and affiliations of all authors separately.
- Include a succinct overview of the intent and purpose of the presentation.
- Not include any tables or figures.
- Include a title that is less than 150 characters with spaces. Please ensure the title is written in sentence case, not all caps.
- Include a biography of less than 150 words for the presenting author. This is not included in the abstract word count.
- Please acknowledge that your abstract will only be accepted into the final program if you have a valid registration.

ABSTRACTS NOT SUBMITTED IN THE CORRECT FORMAT WILL NOT BE REVIEWED.
